- **Clugston Construction Ltd.** – Clugstons have been appointed the main contactors for the Project Valiant expansion. They are currently designing an optimum design solution based on an 85,000t site and they are looking at the logistics of this and significantly improving intake times and bringing added value.
- **EMDA** - East Midlands development agency visited Woldgrain on 6th July to
- **Open Day** – The open day was a great success with over 80 people coming in to get their moisture meters calibrated, have a look at the expansion plans
- **Harvest** - Woldgrain Storage will be open and working 24 hours a day 7 days a week during harvest moving and drying the produce. Intake times will be restricted though due to the limitations of the existing plant. This is one of the key issues to be addressed in Project Valiant and in harvest 2010 there will be more flexibility and a great improvement.

If you would like more storage for harvest 2010 please get in touch with Charlotte now on 01427 668741 or 07833 044576.
